WORKSHOPS OFFERED

RESEARCH INTERESTS

I am highly interested in theoretical linguistics, especially syntax syntax-semantic interference, and phonology. I have special interest in Arabic linguistics and its syntactic complexities, particularly the linguistic units of dialects and vernacular.

As I have worked as a translator, I have also developed keen interest in translation theories, and as a teacher, I have interest in teaching methodologies, discourse analysis, and applied linguistics.

LANGUAGES

Arabic (Native)

English (Fluent & Professional)

OTHER COMMUNITY ACTIVITIES
